GOVERNMENT CO CONTRIBUTIONS

The Rei Super 'flying pigs' webmail campaign in May was a great success! Many of our members want to take advantage of the Government's initiative to assist eligible members to save for their retirement. To ensure eligible members receive the co contribution this year their contribution needs to be remitted to the Fund before 30 June, according to the payment rules noted above.

This can be done via payroll deductions, lump sum payments by cheque or Member Bpay. Details for Member Bpay are available through www.reisuper.com.au and entering into the member login area with a member number and PIN. If you have any employees unsure of their entitlement or wishing to contribute and they need assistance please email mso@reisuper.com.au.

JULY CONTRIBUTION RETURN

As from next month we have changed the format of our Contribution Return. We have found that Salaries advised and contribution amounts calculated are often incorrect or out of date so they will no longer be shown on printed copies.

To save your valuable time and paper you will also be able to advise details of new members and employees leaving your employment on a Member Movement Advice which will be included with your return and available on the website.

Please note this does not apply to employers using Mercer Spectrum.
