NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

1. GENERAL INFORMATION

REI Superannuation Fund Pty Ltd (the Company) is a company domiciled in Australia.

The address of the Company's registered office is level 26, 120 Collins Street, Melbourne, VIC 3000.

The Company is trustee of REI Super. The Company has an Australian Financial Services Licence and a Registrable Superannuation Entity licence.

The financial statements cover the Company as an individual entity. The financial statements were approved by the Board of REI Superannuation Fund Pty Ltd, on 23 September 2025. The Directors of the Trustee have the power to amend and re-issue these financial statements.

2. SUMMARY OF MATERIAL ACCOUNTING POLICIES

(a) Statement of compliance

The financial statements are general purpose financial statements that comply with the recognition and measurement requirements of Australian Accounting Standards, the presentation requirements of those Standards as modified by AASB 1060 *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* (AASB 1060) and the disclosure requirements in AASB 1060. Accordingly, the financial statements comply with Australian Accounting Standards – Simplified Disclosures.

Unless covered in other notes to the financial statements, the principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated in the following text.

(b) Basis of preparation

These general purpose financial statements have been prepared in accordance with the Corporations Act 2001, Australian Accounting Standards and other authoritative pronouncements issued by the Australian Accounting Standards Board (AASB) and comply with other requirements of the law.

The statement of financial position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and do not distinguish between current and non-current. Balances are expected to be recovered or settled within twelve months.

All transactions, assets and liabilities are in Australian dollars. The financial statements are prepared based on fair value measurement of assets and liabilities except where otherwise stated.

(c) New and amended standards adopted during the year

The Fund has adopted all new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for an accounting that begins on or after 1 July 2024.

There has been no material impacts of adopting new or revised Standards or Interpretations.

(d) New Standards and Interpretations not yet Adopted

Certain new accounting standards, amendments to standards and interpretations have been published that are not mandatory for 30 June 2025 reporting periods and have not been early adopted by the Company. None of these are expected to have a material impact on the entity in the current or future reporting periods and on foreseeable future transactions.

(e) Use of Estimates and Judgements

The preparation of a financial report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis, revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

(f) Cash and cash equivalents

Cash and cash equivalents comprise cash balances, short term bills and call deposits. Cash and cash equivalents are carried at face value of the amounts deposited or drawn.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025

2. SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

(g) Receivables

Receivables are stated at cost less impairment losses.

(h) Trade and other payables

Trade and other payables are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Company at year end. Trade payables are normally settled on 30-day terms.

(i) Revenue Recognition

Revenue for trustee services is recognised as it accrues based on the agreement with the Fund. Revenue from the investment of Company assets, such as interest, is recognised on an accruals basis when the Company has a right to receive that income.

(j) Income tax

Income tax expense comprises current and deferred tax. Income tax is recognised in profit and loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the reporting date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

3. TRUSTEE LIABILITIES AND RIGHT OF INDEMNITY

The Company acts solely as trustee for REI Super and the Company has incurred liabilities on behalf of the Fund in its capacity as trustee of that entity. The Directors believe that the assets of the Fund are both in a form appropriate and sufficient to meet the trustee's right of indemnity from the Fund for liabilities incurred on behalf of the Fund as and when they fall due.

The Fund's assets supporting the right of indemnity are not directly available to meet any liabilities incurred by the company in its own right. The book value of the assets of REI Super based on the Fund's accounting policies and as reflected in the Fund's Statement of Financial Position as at 30 June 2025 equal or exceed the liabilities of the Fund at that date.

Independent Auditor's Report to the directors of REI Superannuation Fund Pty Ltd

Opinion

We have audited the financial report of REI Superannuation Fund Pty Ltd (the Company), which comprises the balance sheet as at 30 June 2025, the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including material accounting policy information and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- a. Giving a true and fair view of the Company's financial position as at 30 June 2025 and of its financial performance for the year ended on that date; and
- b. Complying with Australian Accounting Standards, the *Corporations Regulations 2001* and other authoritative pronouncements issued by the Australian Accounting Standards Board (AASB) and comply with other requirements of the law.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial report and auditor's report thereon

The directors are responsible for the other information. The other information is the directors' report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Shape the future
with confidence**

Responsibilities of the directors for the financial report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

**Shape the future
with confidence**

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
